Snowplow Fund Contribution Rates

Basic: \$200 fee from every cabin owner to plow main roads during the winter season. Please note that this does not include plowing of your driveway.

Weekender: \$400 (\$200 + \$200 for the weekend service) from owners who use their cabins during the winter or would like guaranteed winter access. Driveways will be plowed once a week on Thursday or before a mid-week holiday. Only main arteries will be cleared if a storm occurs on a Saturday or Sunday.

Residential: \$500 (\$200 + \$300 for full-time service) from year-round residents or anyone requiring assured access on a frequent basis. This ensures that driveways are plowed as conditions dictate.

***Late Fee:** Please send in your payment no later than November 1 if you choose to participate in the Weekender or Residential plow program. Due to problems the Board has had over the years, any late payments will incur a \$75 late fee. No late payments will be accepted after November 30. Anyone who has not paid by November 30 will be responsible for their own snow removal.

Slash Pickup: We also encourage you to contribute to the slash removal fund. If you have not paid Cory Larson separately for removing your slash, we would welcome and appreciate additional contributions for any of your slash that he may have picked up.
